**IV. OWNER CERTIFICATION**

I certify under penalty of law that all disturbed soils at the construction site have been finally stabilized and temporary erosion and sediment control measures have been removed or will be removed at an appropriate time, or all storm water discharges associated with construction activity from the construction site that are authorized by the General Permit have otherwise been eliminated. The burden of operating in compliance with applicable RIPDES Regulations is my responsibility. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
